## Dubai, 18th December, 2014

The WZCC Global AGM 2014 along with the Global Directors meet, took place at the prestigious Crowne Plaza Hotel, Dubai on 18th December, 2014. The AGM was positioned a day before the start of the Enterprise Dubai event, offering better business networking opportunities to overseas delegates and WZCC members who came from various parts of the world.

The highlight of the evening, apart from engaging talks and presentations, was the distribution of WZCC 'Global Awards Ceremony' for the year 2014.

As per criteria laid down by WZCC, any member of WZCC can nominate a Zarathushti under the 'Global Recognition Program' that takes place every year. I encourage WZCC members to nominate a few names from here.

The awards are conferred in three categories:

- Zarathushti Entrepreneur of the Year
- Zarathushti Professional of the Year
- Young Zarathushti Entrepreneur/ Professional of the year (less than 35 years)

Nominations are required to be submitted on a prescribed form that is available on [www.wzcc.net](http://www.wzcc.net). The judges and the Recognition committee declare the winners based on criterion outlined below.

1. Academic qualifications
2. Level of Achievements in chosen profession/business

3. Rapidity of progression in chosen profession/business
4. Recognized service and contributions to Zarathushti community in the country of residence/worldwide

The proud winners for the year 2014 were:

a) Outstanding Zarathushti Entrepreneur – Edul Daver

b) Outstanding Zarathushti Professional – Nina Adil Godiwalla

All awardees were handed over their trophies by Chief Guest Lord Karan Bilimoria, CBE, DL along with the Global WZCC President Mr. Minoos Shroff.

It was a full house and the evening ended with cocktails and sumptuous dinner that was served to WZCC members and guests who were present at the event.
